§ 455.1 Availability of macadamia nut crop insurance.

(a) Insurance shall be offered under the provisions of this subpart on the insured crop in counties within the limits prescribed by and in accordance with the provisions of the Federal Crop Insurance Act, as amended, (the Act). The counties shall be designated by the

Manager of the Corporation from those approved by the Board of Directors of the Corporation. The insurance is offered through two methods. First, the Corporation offers the contract contained in this part directly to the insured through Agents of the Corporation. Those contracts are specifically identified as being offered by the Federal Crop Insurance Corporation. Second, companies reinsured by the Corporation (hereinafter “Reinsured companies”) offer contracts containing substantially the same terms and conditions as the contract set out in this part. No person may have in force more than one contract on the same crop for the crop year, whether insured by the Corporation or insured by a Reinsured company. If a person has more than one contract under the Act outstanding on the same crop for the same crop year, all such contracts will be voided for that crop year but the person will still be liable for the premium on all contracts unless the person can show to the satisfaction of the Corporation that the multiple contract insurance was inadvertent and without the fault of the insured. If the multiple contract insurance is shown to be inadvertent and without the fault of the insured, the contract with the earliest application will be valid and all other contracts on that crop for that crop year will be cancelled. No liability for indemnity or premium will attach to the contracts so cancelled. The person must repay all amounts received in violation of this section with interest at the rate contained in the contract for delinquent premiums.

(b) An insured whose contract with the Corporation or with a Reinsured company under the Act has been terminated because of violation of the terms of the contract is not eligible to obtain multi-peril crop insurance under the Act with the Corporation or with a Reinsured company unless the insured can show that the default in the prior contract was cured prior to the sales closing date of the contract applied for or unless the insured can show that the termination was improper and should not result in subsequent ineligibility. All applicants for insurance under the Act must advise the agent, in writing,

at the time of application, of any previous applications for a Contract under the Act and the present status of the applications or contracts.

§ 455.2 Premium rates, production guarantees, coverage levels, and prices at which indemnities shall be computed.

(a) The Manager shall establish premium rates, production guarantees, coverage levels, and prices at which indemnities shall be computed for macadamia nuts which will be included in the actuarial table on file in the applicable service offices for the county and which may be changed from year to year.

(b) At the time of application for insurance is made, the applicant will elect a coverage level and price at which indemnities will be computed from among those levels and prices set by the actuarial table for the crop year.

§ 455.3 OMB control numbers.

OMB control numbers are contained in subpart H of part 400, title 7 CFR.

§ 455.4 Creditors.

An interest of a person in an insured crop existing by virtue of a lien, mortgage, garnishment, levy, execution, bankruptcy, involuntary transfer or other similar interest shall not entitle the holder of the interest to any benefit under the contract.

§ 455.5 Good faith reliance on misrepresentation.

Notwithstanding any other provision of the macadamia nut insurance contract, whenever—

(a) An insured under a contract of crop insurance entered into under these regulations, as a result of a misrepresentation or other erroneous action or advice by an agent or employee of the Corporation or a Reinsured company:

(1) Is indebted to the Corporation or a Reinsured company for additional premiums; or

(2) Has suffered a loss to a crop which is not insured or for which the insured is not entitled to an indemnity because of failure to comply with the terms of the insurance contract, but which the

insured believed to be insured, or believed the terms of the insurance contract to have been complied with or waived; and

(b) The Board of Directors of the Corporation, or the Manager in cases involving not more than \$100,000, or a Reinsured company finds that:

(1) An agent or employee of the Corporation or a Reinsured company did in fact make such misrepresentation or take other erroneous action or give erroneous advice;

(2) Said insured relied thereon in good faith; and

(3) To require the payment of the additional premiums or to deny such insured's entitlement to the indemnity would not be fair and equitable, such insured shall be granted relief the same as if otherwise entitled thereto.

Request for relief under this section must be submitted to the Corporation or to the Reinsured Company, whichever is applicable, in writing.

[53 FR 6569, Mar. 2, 1988, as amended at 54 FR 30007, July 18, 1989]

§ 455.6 The contract.

The insurance contract shall become effective upon the acceptance by the Corporation or a Reinsured company of a duly executed application for insurance on a form prescribed by the Corporation or a Reinsured company. The contract shall cover the macadamia nut crop as provided in the policy. The contract shall consist of the application, the policy and the county actuarial table. This contract is not continuous. Application must be made annually for the macadamia nut contract on or prior to the sales closing date established by the actuarial table. The forms referred to in the contract are available at the applicable service offices.

§ 455.7 The application and policy.

(a) Application for insurance on a form prescribed by the Corporation must be made by any person to cover such person's share in the macadamia nut crop as landlord, owner-operator, or tenant if the person wishes to participate in the program. The application shall be submitted to the Corporation or a Reinsured company at the
